*The artist agrees to all Eastern Shore Art Center rules governing the exhibit of artwork in the gallery: One piece, must not exceed 30" in any direction, must be wired for display. If not framed, must be gallery wrapped. Remember to sign out your artwork at the front desk before removing it from the building. If someone else is picking it up for you, please let them know that this must be done.*

If the artwork is sold, you will receive an email from the Center to tell you about the sale and to offer you the opportunity to bring up another piece. The same timeline will apply to the new work that you will be exhibiting. Work left here longer than 30 days after change out becomes the property of the Art Center.
