Watercolor Brushes – We are going to use sizes 6 and 10 in rounds

There are so many brands and sizes of watercolor brushes. I like Princeton and Escoda. The Princeton Brand is more value priced.

Princeton Lauren Series 4350 Round Brushes.

Escoda Brushes are on the high end. They are handmade. I would recommend the Princeton Brushes just starting out.

Pencil Boxes - Clear Stacking Pencil Box by Simply Tidy available from Michaels. The dimensions are 8.26 inches long by 3.74 inches wide by 1.57 inches tall. You can use a this to store paints, pencils and other tools.

Water Containers – You can use a couple of glasses or cups. Make sure to have 2 cups. One cup will be for dirty water and the other cup will be for clean water. I use the Faber-Castell Clic & Go Portable Paint Water Cup with Brush Holder.

Masking Fluid – Pebeo Drawing Gum (45ml). The fluid is colored light blue so to see where it's being applied in the image. Also, you will need a Grafix rubber cement remover or pickup. It can also be called an Adhesive Remover. Jerrys Artarama or Michaels will have them.

Eraser – Gum EraserPencil, tooth brush, ruler, paper towels, a small travel size water spray bottle.
